ANCHORS OF HOPE

SECURITY IN TIME OF NEED

HEBREWS 6:19

"We have
this hope
as an **anchor**
for the soul,
firm and secure."

WHAT IS “ANCHORS OF HOPE”?

ANCHORS OF HOPE is a pledge to help our school families who need assistance with tuition during difficult circumstances.

If 50% of the families in our school system would pledge \$10 a month, for 12 months, we could raise almost \$100,000 for Tuition Assistance. This would enable us to provide assistance to the families who need it!

The exciting part about **ANCHORS OF HOPE** is that every family can be a part of it in some fashion, either pledging more or less than \$10. Together, our small gifts will have an enormous impact!

Every gift *is* significant!

THE HEART OF THE PROGRAM

Our schools currently serve over 1,600 families. Last year, we received requests for Tuition Assistance from more than 50 families. These requests came from families who were going through a season of difficulty. Some parents had lost jobs, lost life savings, or faced serious health issues. Some parents lost a spouse, and a few students lost both parents. These are painful circumstances.

Our heart is to provide some security for these families by helping them stay at our school during their difficult season. ***Parents can endure a great deal of hardship as long as they feel their kids are secure.*** This is the heart of Tuition Assistance.

THE LEGACY OF GIVING

“Over the years, we have been able to assist hundreds of families in their time of need, and see them come out stronger than ever. Recently, the mom of a student approached me with tears in her eyes as she handed me an envelope. She said, ‘Our family has been so blessed by the school; I’m sorry this is all I can give. I wish it were more.’ In the envelope was \$20. This mom was sad because she mistakenly thought her gift was too small.

The heart of this mom was the inspiration for **ANCHORS OF HOPE**. Every gift counts! Every gift *is* significant! Especially when we work together.” ~Kelly Beckert, Superintendent
